Cautions:

* Oils marked with an asterisk (mostly citrus and spice oils) may be irritating to the skin. Always do a small patch test before taking a full bath with any of these oils. If irritation occurs discontinue use immediately.

^ Oils marked with a ^ sign should not be used during pregnancy or nursing.

Oils marked with a # are, or may be, phototoxic and should not be used before sun exposure. Most of these are citrus oils.

- Oils marked with a - should not be used on babies or small children.

+ Oil marked with a + sign should not be used by those with high blood pressure.

Natural Treasure offers more essentials for sale on our [essential oils page](#), but you will not find them in this list, because we do not believe that they should be used when taking a bath. As with all natural products, individual reactions may vary. This list of cautions is not exhaustive and complete. Always patch test any new skin care product by testing a small area of skin before using on a large surface area or the entire body. If a rash or irritation develops, discontinue use immediately. It is your responsibility to exercise caution when using any of our skin care products. Natural Treasure does not accept returned health and beauty products for any reason; therefore, please order accordingly. Thank you for your interest in [Natural Treasure skin care products](#).
