

StemEnhance®

60 Capsules per Bottle

StemEnhance is the first-ever natural Adult Stem Cell Enhancer. It is the only nutritional supplement proven to support the natural release of adult stem cells from the bone marrow. StemEnhance is a patented blend of two proprietary botanical concentrates of *Aphanizomenon flos-aquae* (including Mobilin®).

What StemEnhance Does:

A double-blind study published in the highly respected journal, *Cardiovascular Revascularization Medicine* demonstrated that the consumption of just 1 gram (2 capsules) of StemEnhance increased the number of circulating adult stem cells by an average of 3 million more circulating adult stem cells!

Potential Users

StemEnhance is safely enjoyed by men, women and children. It is highly recommended for those seeking optimal health and optimal fitness and performance.

FEATURES	BENEFITS
Proven adult stem cell enhancer	Supports the natural release of adult stem cells from the bone marrow. StemEnhance increased the number of circulating adult stem cells by an average of 3 million more circulating adult stem cells.
<i>Aphanizomenon Flos-aquae</i> (AFA)	100% natural botanical ingredient. AFA has been consumed for over 3 decades for its nutrient dense properties.
Proprietary concentrate	Nutrient dense concentrate containing proprietary components including Mobilin™
Mobilin™	L-selectin blocker/ligand. Supports adult stem cell release.

INGREDIENTS / LABEL

StemEnhance® is a patented blend of two proprietary botanical concentrates of Aphanizomenon flos-aquae (including Mobilin™). StemEnhance supports the natural release of stem cells in the body, thereby assisting in the maintenance of optimal health.*

StemEnhance is the world's first natural stem cell enhancer!

StemEnhance® es una mezcla patentada de dos componentes concentrados del alga Aphanizomenon flos-aquae (incluyendo Mobilin™). StemEnhance apoya la liberación natural de células madre en el cuerpo, ayudando al mantenimiento óptimo de la salud.*

StemEnhance es el primer promotor natural de células madre del mundo.

Warnings: As with all dietary supplements it is recommended that you consult your physician if you are pregnant, nursing, under treatment for any illness or taking anticoagulants or other medications. Keep out of reach of children and pets. Do not use if safety seal is broken. **Advertencias:** Como cualquier suplemento dietético se recomienda que consulte a su médico si está embarazada, lactando, está recibiendo tratamiento para alguna enfermedad médica o está tomando anticoagulantes o medicamentos. Manténgase fuera del alcance de los niños. No lo utilice si el sello está roto.

USAGE

Take 2 capsules orally, 1 to 2 times daily.

FOR YOUR INFORMATION

Vegan 2 part capsule

No sugar, artificial colors, artificial flavors, soy, dairy, yeast, or preservatives

Certifications: Kosher, Halal, Organic AFA

Vitamin K in StemEnhance: Like many foods, StemEnhance contains naturally occurring vitamin K. Two capsules have approximately 40 mcg of vitamin K (equals about 1/2 cup of chopped broccoli).

Label statement: Consult your physician if pregnant or nursing. (Many products carry such warnings out of an abundance of caution rather than any known pregnancy risk. We know of no evidence that consuming StemEnhance during pregnancy creates a health risk.)

Naturally occurring iodine: Unlike most algae, Aphanizomenon flos-aquae (AFA) has only a small amount of iodine, 0.39 mcg per gram. In comparison, one slice of bread has about 6 mcg.

PEA: StemEnhance contains a naturally occurring compound known as Phenylethylamine (PEA). PEA is naturally produced by the brain and known to support mood and mental energy. PEA is made by the brain whenever one feels content and happy; it has been described as the "molecule of joy".

FAQ'S

How does an increase in the number of circulating adult stem cells lead to optimal health?

Stem cells form the core of body's natural renewal system. When circulating, adult stem cells are signaled by organs and tissues in need. They migrate into the tissue, reproduce and transform themselves into healthy cells of that tissue.

How is StemEnhance® different from whole AFA?

StemEnhance is a patented concentrate of AFA that concentrates the beneficial organic compounds found in whole AFA, including Mobilin™. StemEnhance is scientifically proven to support an increase in the number of naturally released circulating adult stem cells.

Does StemEnhance help with any specific health condition?

StemEnhance is a nutritional supplement, not a medication. It is not intended to be used to diagnose or treat any disease or illness. Results of scientific studies indicate that increasing the number of circulating adult stem cells is a key factor in maintaining optimal health.

Can a person of any age take StemEnhance?

Yes, just follow the directions on the label and do so under adult supervision.
